

## Regional Continuum of Care Council

### **SCORING COMMITTEE EVALUATION RESULTS** **CoC NEW PROJECTS PROPOSALS**

The Scoring Committee completed evaluation of applications submitted for consideration for the FY 2103 HUD CoC competition. The preliminary results and scores for projects that were received prior to the December 18, 2013 follow. Projects that were not received by the announced deadline were not reviewed.

Projects were evaluated based on measures as developed by the Rating and Ranking Committee and approved by the RCCC as detailed in the New Project Scoring Tool. The Application Packet and Evaluation Tool were used to identify an overall project score and determine a ranking based on the score. The RCCC Scoring Committee reviewed all submitted information, scored each project, and compared results for consistency. Results met the 80% consensus for approval.

The scoring results are being distributed to each applicant and will be posted on the Supportive Housing Program page of the County of San Diego Housing and Community Development website found at [http://www.sdcountry.ca.gov/sdhcd/homeless/supportive\\_housing\\_program.html](http://www.sdcountry.ca.gov/sdhcd/homeless/supportive_housing_program.html) and the Keys to Housing website located at [www.KeystoHousing.Org](http://www.KeystoHousing.Org). Project names, application types, overall scores, and rankings are being emailed to the RCCC Steering Committee and the Full RCCC electronic distribution lists.

Compilation of the final 2013 CoC Application project list will respond to budget restrictions imposed by HUD; to determine the final project ranking and tier assignment in order to maximize the available funds. Local project ranking is subject to direction contained in the HUD CoC Program NOFA. To ensure the collaborative CoC application is competitive and fully funded, RCCC reserves the right to amend the listing as needed and in response to criteria issued in the FY2013 HUD NOFA or subsequent updates. Final allocations will be published on or before January 15, 2014.

The following projects are recommended for inclusion in the 2013 CoC Application Project Listing.

Organization	Project Name	Project Type	Score
South Bay Community Services	Landis	Permanent Supportive Housing for Chronic Homeless Families	96.5
Interfaith Community Services	Rental Assistance Program	Permanent Supportive Housing for Chronic Individuals	87.5
